

STYLISH • CONTEMPORARY • CONVENIENT

# PureFlo® Countertop

Activated Carbon Water Dispenser

The PureFlo® countertop water dispenser is ideal for home or office use. Its compact footprint saves space and packs power, offering plenty of hot and refreshingly cold water at the touch of a button. Because it connects to your water line, you never have to worry about running out of bottled water or scheduling deliveries.

## Carbon filtration benefits

- Removes chlorine, chloramine, chemicals, pharmaceuticals, off-taste and odor<sup>2</sup>
- Leaves minerals in the water<sup>2</sup>
- Filtration components certified by the Water Quality Association (WQA) to meet and odor standards: NSF/ANSI 42, 401, 372 & CSA B483.1<sup>2</sup>

## Easy to use and clean

- Ergonomically placed spigots for easy dispensing
- Removable drip tray for efficient cleaning
- Fingerprint-resistant finish
- Innovative anti-leak system

## Durable, reliable design

- High efficiency, low noise
- Child safety lock on hot-water spigot
